

## **New start**

(music + lyrics by Olivia Trummer)

Stop to run, stop to hide and wear glasses darker than the night  
Something tells me deep inside that this path we've chosen isn't right

Don't wanna break your heart  
Don't wanna break your heart  
But I think it's time for a new start

Enough of our time was spent trying to blend our lives and be together  
So take off your blinders stop to pretend this was meant to be forever

Don't wanna break your heart  
Don't wanna break your heart  
But I think it's time for a new start

We need to stop grooving to the rhythm of the past  
We need to stop believing in a vision that wouldn't last

Let's not be afraid of change  
It might feel strange at first  
But as we re-arrange our lives  
The fear of change will disappear  
and we will see

It didn't break our hearts  
It didn't break our hearts  
It didn't break any heart  
but now we can see that it was time for a new start

It didn't break any heart  
but now we can see that it was time for a new start  
For a new start  
For a new start  
For a new start
