

Don't ask love

(music + lyrics by Olivia Trummer)

Don't ask love about the time
Don't ask love about the time
Don't be sad about the time
you'll have to spend alone
Far apart from me
A part of me will always be with you

Don't ask love about the time
Don't ask love about the time
Don't ask love to be in time
We'll be together
All there is to know is:
Time will pass and love will grow

Don't ask love about the time
Don't ask love about the time
Don't ask love to be in time
We'll be together
All there is to know is:
Time will pass and love will grow

(from the album „Fly Now“)
