

## Stay awake

(music + lyrics by Olivia Trummer)

Stay awake, stay awake  
'Cause it has been such a lovely night  
Stay awake, stay awake  
Escape with me into the morning light  
Stay awake, stay awake  
Let's not waste time looking back or ahead  
Stay awake, stay awake  
Let's watch the morning-colored sky instead

Let's not pretend to be not tired at all  
I know it is tempting to fall asleep  
But I'd prefer instead of kissing a dream  
Kissing darkness goodnight  
And keep you by my side

Stay awake, stay awake  
'Cause something tells me it wouldn't be right  
To not stay awake  
Is it your smile or the first ray of light?  
Stay awake, stay awake  
'Cause our whole life we've been waiting for this dawn  
Time to keep on  
Let's watch the darkness gently fading

Let's not pretend to be not tired at all  
I know it is tempting to fall asleep  
But I'd prefer instead of kissing a dream  
Kissing darkness goodnight  
And keep you by my side

To let you know, to let you know  
To let you know, to let you know

that I'm in love with what we call a new day  
Let's call it a new life and let love walk in  
I'm in love with what we call a new day  
Let's call it a new chance and let love walk us home

Stay awake, stay awake...
